

**7th Annual National  
Directors & Officers Insurance ExecuSummit**  
May 10 & 11, 2011 – Mohegan Sun Hotel & Convention Center, Uncasville, CT

Michael Cavallaro, RPLU  
Director  
ARC Excess & Surplus, LLC

Michael Cavallaro is a director of ARC Excess & Surplus, LLC where he specializes in the underwriting and brokering of management and professional liability insurance products. Prior to joining ARC in May of 1992, his experience in the Directors & Officers Liability / Professional Liability Insurance field was as an underwriting assistant with American International Group from 1985 - 1990 and as an underwriter with Gulf Insurance Company from 1990 - 1992.

Mike has published articles and has given speeches concerning management and professional liability and is considered a leader in the industry. From 2001 through 2004, he was the co-chair to the Professional Liability Underwriting Society (PLUS) D&O Liability and Insurance Issues Symposium, one of the most well-known and attended conferences regarding Directors and Officers Liability Insurance. Mike has also received the Registered Professional Liability Underwriter (RPLU) designation granted by the Professional Liability Underwriting Society (PLUS).

Mike graduated with magna cum laude honors from City College of New York (CCNY), where he received a Bachelor of Engineering (Electrical Engineering) and a minor in Mathematics.
